

123rd Scottish National Trout Fly Fishing Championship
Sponsored by Ridgeline UK
Final - Lake of Menteith
Saturday 12th September 2015

The 2015 Scottish National Trout Fly Fishing Champion is Stuart Marklow of Loanhead & District AC. Stuart had 12 fish for 26lbs 3.8ozs and just pipped the 2010 National Champion and 2011 Champion of Champions winner, Peter Auchterlonie of Menteith Ospreys, who also had 12 fish but with a weight of 25lbs 9.6ozs. Close behind in third was the 2013 Champion of Champions winner John Buchanan of Newton Mearns FF who had 11 fish for 23lbs 1.6ozs.

A forecast suggesting that winds of 28mph gusting to 40mph could hit the Lake of Menteith in the morning of the National final followed by constant torrential rain throughout the afternoon gave cause for concern that the final would have to be cancelled. The wind did come from the southeast as forecast but fortunately it never reached the forecast strength and the competition went ahead as scheduled. The boats set off in light rain and although it rained for most of the day it was not as heavy as expected. It was however cold for most of the day. About mid afternoon the wind moved round to the southwest and as it dropped to a light breeze the clouds lifted, the temperature rose and the competitors started catching in earnest. It wasn't to last for long as the wind soon picked up again and the rain came back.

No final is ever easy to win but with the winners of six of the last eight Nationals (Ronnie Gilbert - 2014 and 2008; Kevin McCabe - 2013; Ronnie Glass - 2011; Peter Auchterlonie - 2010 and Alex McEwan - 2007) and eleven of the 2015 International teams lining up it looked like 2015 would be particularly hard. Boats headed for all parts of the Lake at the off and within the first couple of hours there were boats criss crossing the water as the competitors searched for fish. The trout were not for giving themselves up and many anglers struggled.

As the competitors weighed-in there were plenty of anxious faces. The top 18 were guaranteed a place in the 2016 International teams and it was tight. Two competitors weighed-in 12 trout. There was one bag of 11 and one of 10. Five competitors had 9 fish; two had 8 fish; thirteen had 7 fish; eleven had 6 fish and seven had 5 fish. Team manager, Gus Shepherd, had 7 fish for 14lbs 15ozs which put him in 17th place but he gave up his place as an angler in the teams and the long journey from Orkney proved worthwhile for Andrew Morgan of Merkister FF who had 7 fish for 14lbs 13.4ozs and finished in 19th position and secured the last guaranteed team spot. Not only had Ally Middlemass caught a fish over 5lbs he had also taken two other large trout and his 5 fish for 14lb 14.4ozs put him in 18th position

In 6th place with 9 fish for 20lbs 7.2ozs was Ben Robertson of West Lothian FD. This was only the second time that Ben had entered the National and in his first attempt in 2014 he also made the final and on that occasion he was 29th. Allan Gamble of RAF Fish Hawks was 5th with 9 fish for 20lbs 10.8ozs. Allan was in an International team in 2012. In 4th place was Graeme Lynch of Beith St Inans AC with 10 fish for 21lbs 7.6ozs. This was first time that Graeme had entered the National. What a way to start.

In 3rd place with 11 fish for 23lbs 1.6ozs was John Buchanan. John has had 13 caps for Scotland and has twice won the Brown Bowl.

In 2nd with 12 fish for 25lbs 9.6ozs was Peter Auchterlonie. Peter has also had 13 caps for Scotland (will be 14 after the Autumn International) and he has also won the Brown Bowl twice.

In 1st place with 12 fish for 26lbs 3.8ozs was Stuart Marklow of Loanhead & District AC. Stuart entered the National in 2014 for the first time and made it to the final that year and finished 58th.

A total of 360 fish were caught which with the 2lb allowance for returned fish gave a total weight of 804lbs 5.6ozs. The best boatman was Chris Harkess who boated for Stuart Marklow and Kevin Andrews who between them netted 19 trout.

Semi Final No 6 Lake of Menteith
3rd July 2015

The last of the semi finals was held at the Lake of Menteith on 3rd July on a blistering hot day. There was hardly a cloud in the sky and very little breeze for most of the day making conditions difficult. A good breeze got up late in the day which did little more than cool the competitors.

George Whyte of St Fillans & Lochearn AA and Andrew Smart of CSSA (Rosyth) were drawn together and between them they worked out what was required.

photo:
 Andrew Smart, George Whyte and Andrew Morgan

They headed for the Cages and later moved to the Malling Shore before returning to the Cages. Between them they had 14 fish of which 12 were taken at the Cages. They both dropped numerous trout but their tactic of fishing fabs on midge tip lines was the answer on a difficult day. George was the top rod with 7 trout for 15lb 4oz closely followed by Andrew in second with 7 trout for 14lb 15.6oz.

Andrew Morgan of Merkister FF was third with 6 trout for 13lb 15.4 oz and Alan Steven of FAF was fourth with 7 trout for 13lb 13.4oz. Andrew took his trout at Sandy Bay and Lochend where he was fishing fabs and blobs on a floater.

It was a good day for the Orkney clubs with four of their competitors, Andrew Morgan, James Grant, James Bews and Sandy McConnachie qualifying for the final.

Semi Final No 5

Carron Valley - 2nd July 2015

Carron had been fishing its socks off all week with many of the competitors reporting that they had been having double figure bags of quality browns and rainbows during their practice days. However heavy rain the night before the semi final appeared to have upset the trout and many competitors struggled on match day.

photo:
Sean, Scott and David

Some did however master the conditions and local angler, Scott Aitken, of Tartan Tyers FF came out on top with 15 trout for 13lb 13oz. Scott stuck to dries and took his fish in Burnhouse Bay. Close up in second was Sean McCaffrey of North Shetland FF who also had 15 trout but with the slightly lesser weight of 13lb 7.5oz. Sean took his fish on black hoppers in Carron Bay. North Shetland FF also provided the third placed competitor as their David McMillan snr landed 10 trout for 10lb 9oz. David took his fish on dries and black hoppers in Burnhouse Bay and at the Willows.

The top 10 competitors qualified for the final and the cut-off weight was 3lb 12oz.

The last of the semi finals is at the Lake of Menteith on Friday 3rd July.
