

**Final
River Tummel
Sunday 26th July 2015**

The top rod in the River Championship final was Simon Cocker with 18 fish. The runner up was Alan Hill with 15 fish and the third place went to Richard McHattie with 13 fish. The last two qualifiers for the 2016 rivers team were David Downie with 10 fish and Karl Ferguson with 7 fish.

On a difficult and cool summers day a total of 127 fish were caught and released with the largest, a brown trout measuring 43.3cm, caught by David Downie.

The above team will represent Scotland in the Home International Rivers Championship 2016 which is due to be held on the River Don Aberdeen.

The River Committee wish to thank the controllers who supported this competition through out the heats and final. Without their help and support the championship would not be possible.
