### International Loch Teams:

Fishers, the Lake of Menteith Fishery, Albert Bartlett and 7plus7 Construction are the main sponsors of the Spring and Autumn International Teams in 2015. Fishers have provided support for the teams since 2011 and in 2012 elected to sponsor the teams for 5 years. This is the seventh year that the Lake of Menteith has sponsored the teams and we are grateful to them for their continued support. The funding provided by them will be used to reduce the costs that would otherwise have to be paid by the individual team members.

## **SANACC Internationals Loch Teams Fundraiser Cup Markle - 7th February 2015**

The 2015 fundraisers started at Markle on Saturday 7th February where 51 anglers fished for the SANACC International Loch Teams Fundraiser Cup. This is very much a social event with many of the competitors from last year again taking the opportunity to dust off their equipment for the first time in months. It was good to see everybody getting back together again in anticipation of the season to come.

Prospects earlier in the week were pretty bleak with Markle frozen over but Jonathan and his staff broke up the ice on Thursday and with the sun warming the water during the day they were able to make sure that the fundraiser went ahead on Saturday.

Once again this fundraiser was run by Jock Kettles and Nigel Burns who organised the fishing, prizes, raffle, auctions and just about everything else. Never mind the competition, it was worth going to Markle on Saturday just for catering. The lentil soup provided by Nigel's wife refreshed everyone who was feeling the chill and the pies put on by the staff at Markle were absolute quality. It was worth the entry fee for the lunch alone.

On behalf of the 2015 loch teams we wish to thank Fishers, Flybox, ND Barrett Electrical, James Haig & Sons, Daiwa, FAFA-Linlithgow Loch and Celtic Property Poland everyone who put in prizes or provided sponsorship and once more thanks to all the competitors who took part and to the staff at Markle for their patience, conversation and support (and of course the pies). Details of fishing at Markle can be viewed at [www.marklefisheries.com](http://www.marklefisheries.com) and fishing can be booked at 01620861213.

The fishing was hard but there are always one or two who manage to outwit the trout. Top rod was Sandy Page who was well out on his own with a catch of 8 fish. Sandy received a rod, reel, fleece and cap along with the trophy. David Tyrie was second with 4 trout and he received a Scierra Kenai Boat Bag. In third place, having caught his first fish at 9.30am, was Wullie Leach with 3 trout. Wullie received an Agility Net.

There were three tagged trout and the winners of the £50 tagged trout draw were Brian Mackenzie, Stevie Cochrane and Neill Duff.

## Parkview Fishery Fundraiser - 14th February

Parkview Fishery was the venue for our second fundraiser and was organised once again by Wullie Simpson. Jim and Edna at Parkview made sure that there were plenty of quality trout to be caught and plenty of quality food to refresh the 20 competitors at the halway point. A total of 84 fish were caught and the final cast of the day saw Neill Barrett land a superb trout of 10lbs. That fish took Neill to a total of 13 making him the winner by one fish from Davy Nicholson who had 12. In third place was Murray Hunter with 9.

The 2015 International teams wish to thank Wullie Simpson for running this event and Jim and Edna for making Parkview Fishery available for the fundraiser and for providing prizes. Fishing at Parkview can be booked by phoning 01337831810. The teams also wish to thank everyone who donated prizes or bought raffle tickets and they also wish to thank all of the competitors who made the day a success.

**Albert Bartlett New Haylie Fundraiser  
Saturday 7th March 2015**

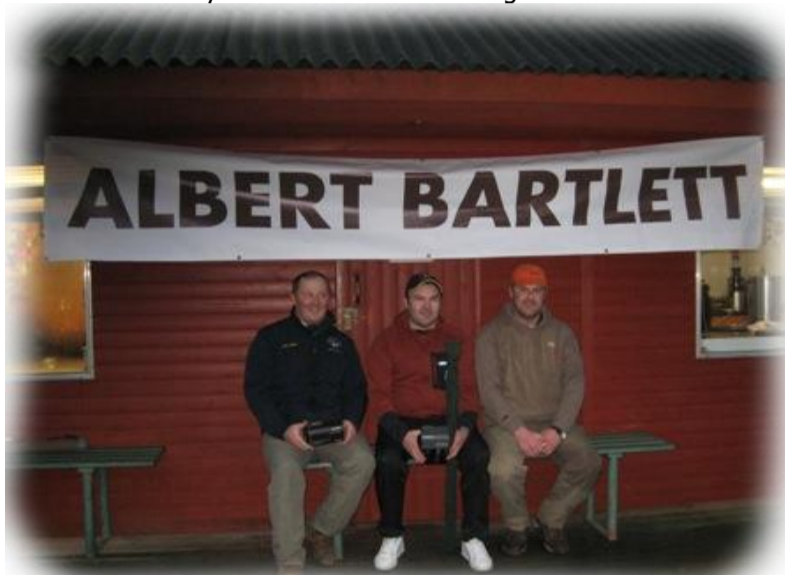

The Spring and Autumn Loch Teams wish to thank Albert Bartlett for sponsoring the fundraiser at New Haylie on Saturday 7th March. They also wish to thank Ian Christie of Flybox and everyone who donated prizes for the raffle and all of the competitors who took part. Once again we were well looked after by George and Senga who provided quality fishing and catering.

There was a ferocious wind blowing all day that only let up when the competitors came off the water

The trout however were making the most of the conditions and while some competitors left early the fish were being caught right up to the final whistle. At the end of the day 188 trout had been caught and released.

and Brian  
Mackenzie

Top rod on the day was Kevin Andrews who caught non-stop in the morning then eased off a bit in the afternoon to finish with 26 fish. Kevin was well ahead of second placed Brian Mackenzie who had 15. Alan Gilbert was third with 12.

Paul Garner (Spring Team Captain) won a box of Albert Bartlett potatoes for catching the first fish in the afternoon session.

## Black Loch Fishery - 22nd March

A chilly wind didn't make for easy fishing at Black Loch on Sunday 22nd but the 26 competitors caught and returned 70 good quality trout. The Spring and Autumn Teams wish to thank Scott Adams and George at Black Loch for providing quality sport and catering in addition to providing the trophy and prizes. We also wish to thank Jim Youngman Carpets, Glencorse Fishery, Lake of Menteith, Carron Valley Fishery, Watt & Sons Tackle, Kenny Miller and Barrie Dexter and everyone else who provided prizes for the competition, raffle or the auction. Thanks also to the competitors who fished and bought raffle prizes which made the day the success that it was.

This the second year that Kenny Miller has run this fundraiser for us and we are grateful for the work that he has put in on our behalf. Boats can be booked at Black Loch by phone on 07527254811 and their website can be viewed at [www.blacklochfishery.co.uk](http://www.blacklochfishery.co.uk)
