*In order to continue the success of the Scottish Club Championships and still give clubs in the heats value for money I have kept the entry at £65 per three man team which is £21.66 per competitor. The fee for each club team in the Semi-finals is £80 and likewise the entry fee for each club team in the Final will also be £80.*

Breaches of the rules mean the individual may effectively have disqualified himself/herself as well as his/her team. IN ADDITION that person is precluded from any other SANACC competition for the remainder of the season, together with any other sanction the SANACC Committee may impose. It is up to every club to ensure their club members competing in the competition are aware of the necessity to adhere to the rules. A full briefing will be given prior to every heat.

Running in parallel with this competition will be the Scottish Clubs Champion of Champions 2019. The top five individual rods in each heat qualify for this contest, and the Final of the competition will be held at the Lake of Menteith on Friday, 4th October.

All competitors qualifying for the final of the "Champion of Champions" will require to pay fishing fees which will be £50 . This includes the presentation meal.

The result of each heat and entries will also be shown on the SANACC website at [www.sanacc.org.uk](http://www.sanacc.org.uk).

**Safety:** When there is thunder or lightning all competitors must leave the water and must not return until 30 minutes after the last electrical activity. If due to the extent of electrical activity it is unsafe to return to the water within one hour of the first event or if after resuming fishing there is further electrical activity the competition will be stopped. Competitions may be postponed if electrical activity, temperature or wind strength make it unsafe to go ahead. Your entrants require to be advised that they must be prepared for extremes of weather irrespective of a weather forecast.

It is expected that all competitors will be competent boat handlers. When registering on the evening of your heat your team captain must notify the Scottish Club Representative if any of your team are not competent boat handlers.
