2014 Annual Report

Report for 2014

Annual Report

The number of member clubs in 2014 was five down on the previous year and now stands at 181. In 2013 there were 186 member clubs which was also five down on 2012. There were 14 clubs that did not renew membership in 2014 although two of that number merged with other clubs. Clubs are still being attracted and we had six new clubs join this year. These were joined by three clubs that returned after a being out for a number of years. Some clubs are struggling to maintain their angler numbers and we have 69 clubs that have 20 or fewer individual members.

AGM

The 2015 annual general meeting is scheduled for Sunday 8th March at the King Robert Hotel, Bannockburn. Clubs that are unable to attend the AGM can submit proxy voting forms by email as well as by post and clubs that are able to accept email are encouraged to include their email address on the membership renewal form.

AGM Resolutions on International Teams

The methods of qualifying for a place in one of the international teams and the ability of the management committees to remove someone from a team are, at present, a mix of common practice and the direction set out in constitutions. To ensure that the management committees have the required authority and that the members know where they stand it is being proposed by the Committee that the current practices be added to the Bye-Laws.

The Special Resolution being put forward will be to alter the Bye-laws to incorporate the current practice on international team qualifying and management.

Subscriptions

The 2015 annual subscription has not been increased and will remain at £35. The cost of the annual subscription has not been increased since 2006.

Finance

SANACC remains in a sound financial position with sufficient reserves to ensure its survival in the event of unexpected changes to income or costs.

Sponsorship and Fundraising

There was a change of sponsor for the Scottish Club Championship with their new sponsor, Morrison Bowmore, also sponsoring the Scottish National Championship. The support that was received from all of our sponsors and those that attended the fundraisers meant that the cost of representing Scotland in the international teams was kept at an affordable level whilst also rewarding success and voluntary support in the competitions. The SANACC Committees, team members and competitors are grateful to all of the sponsors and individuals who supported them.

Sponsorship/Fundraising – Loch Teams

Fishers, the Lake of Menteith and WFC 2009 were the main sponsors of the International loch teams in 2014. Fishers have confirmed that they will sponsor the teams again in 2015 and this will be their fourth year of sponsorship. The Lake of Menteith will also sponsor the teams again in 2015 and this will be their eighth year of sponsorship. BVG Airflo and Flyfish Europe have supported the teams for numerous years and provided their products again in 2014. Snowbee and Morrison Bowmore sponsored the Champion of Champions. Snowbee provided the winner with a rod, the runner-up with a reel and the third placed with a fly line. Morrison Bowmore provided bottles of their Glen Garioch 1797 Founders Reserve to the top rods.

Competition – Scottish National Trout Fly Fishing Championship

The weather was kind to us again in 2014 with all stages of the Championship going ahead on schedule. There was a slight increase in competitor numbers with 382 anglers fishing their heats as opposed to 375 in 2013. The 2014 National Champion is Ronnie Gilbert (photo on front page) of Menteith Ospreys who was winning the Championship for the second time. Paul Garner of Alba Orvis FF was a close second with the same number of fish as the winner. Two competitors were disqualified during the heats for fishing with oversize flies.

Competition – Scottish National River Championship

The final of the River Championship was held on the Aberdeen & District AA stretch of the River Don with the heats being held on the Pitlochry AC stretch of the River Tummel and we are grateful to them for their support. The number of competitors was down in 2014 with 36 competitors fishing the heats as opposed to 43 in 2013.

Scottish Club Championship

The number of teams entering the Scottish Club Championship was 164 which was ten down on 2013. The collections taken at the Saturday heats for the Yorkhill Sick Children's Hospital along with the collections and raffles at the semi-finals and finals raised a total of £1,569.12. The 2014 Champions are Menteith Ospreys "A", Change FF AC "A" were second and Grizzle Cats "A" were third.

Champion of Champions

Competitors in the Champion of Champions qualify from the Saturday night heats of the Scottish Club Championship with the top five individuals each Saturday night going through to the Champion of Champions final. Spaces not taken up by the top five qualifiers are allocated on a count back at each heat. The 2014 Champion of Champions is Shane Kelly of Hawick AC. Dave Wright of St Boswells and Newtown District AA was second and Ian Simpson of Aberdour AA was third.

Spring International - Lough Owel

Our fortunes took a dip in the Spring International at Lough Owel when, for the first time in 14 years, we picked up the wooden spoon. Top two rods for Scotland were Alan Brock of Crieff AC with 7 fish and Kevin McCabe of Change FF AC with 5 fish.

Autumn International - Brenig Reservoir

Things improved at the Autumn International at Brenig Reservoir where we took the silver medal position with 10 fish fewer than England who took the gold. Top rod for Scotland was Peter Auchterlonie of St Fillans and Lochearn AC with 9 fish. Chris McAllister of Raemoir TF, Andy Dunn of Change FF AC, Ray Anderson of Leslie & Glenrothes AC and Allan Smith of Kinross AC were close behind with 8 fish apiece.

River International - River Ure

At the International on the River Ure we were third behind Wales and England. Our Derick Logan of Coldstream & District AA and Kenny Riddell of Aberdeen & District AA had excellent individual performances to finish second and third overall.

Management Changes

The tenure of Stan Headley as Loch Team manager ended in 2014 and interviews for a manager for the next three years were held in October. Subject to the members approval at the 2015 AGM the new manager will be Gus Shepherd.

Gus earned his first Scottish Cap with the gold medal team at Brenig in 2006 when he won the Phoenix Silver Salver as the top Scottish Rod and just missed out on the Brown Bowl by a few ounces. He had two caps in 2007 at Rutland and Menteith and was back in the team for his fourth cap in 2012 with the gold medal team at Brenig.

Sponsored by Angling Active and Morrison Bowmore

The Menteith Ospreys "A" team of Peter Auchterlonie, George Whyte and Ronnie Gilbert followed up their win in the first of the semi-finals by recording a catch of 46 fish to convincingly win the Scottish Club Championship final. The Change FF AC "A" team of Kevin McCabe, Jock Kettles and Andy Dunn had 30 fish and finished second and the Grizzle Cats "A" team of Andy Boylan, John Morton and Billy Foster with 29 fish were third. The Championship started on Saturday 3rd May with the Saturday night heats running through to 26th July. 164 teams took part in the Championship with the top 3 teams from each heat going through to the semi-finals on Friday 22nd and Friday 29th August. The top 20 teams from the semis went on to contest the final.

It was a good week for Menteith Ospreys captain, Peter Auchterlonie, as just the week before the final he was presented with the Phoenix Silver Salver as the top Scottish Rod in the silver medal team at the Autumn International at Llyn Brenig.

Champion of Champions Sponsored by Snowbee and Morrison Bowmore

Fifty nine competitors, including at least four previous winners, took part in the 2014 Champion of Champions at the Lake of Menteith on Friday 17th October. This was always going to be a hard one to win with 23 internationalists and a couple of Scottish National Champions in the field that set off just before 10am. Conditions looked to be near perfect with calm conditions mixed with warm air temperatures and a fair amount of cloud cover but some found it hard going.

Quality fish were showing in numbers throughout the day in most areas and the boats were scattered around the Lake as competitors tried a variety of methods to tempt them. It was not so much a question of trying to find a trout to cover but deciding which one to target. There might have been an incredible number of fish showing but catching them was not so easy.

At the weigh-in the 59 competitors recorded a catch of 271 trout of which five of the retained fish were over 4lbs. The match was fished on a partial catch and release basis with the the first two trout being retained and an allowance of 2lb being awarded for each returned trout. Large fish were capped at 4lb.

Five competitors caught 10 or 11 trout with Brian Mackenzie finishing 5th with 10 trout for 20lb 15.6oz. Alan Hill was 4th with 10 trout for 21lb 14.8oz; Ian Simpson was 3rd with 11 trout for 22lb 1.6oz and Dave Wright was 2nd with 10 trout for 22lb 6oz. 11 trout were needed to win and the 2014 Champion of Champions is Shane Kelly of Hawick AC who had 11 trout for 22lb 10.6oz.
