Scottish Club Championship Final Friday 19th September 2014

The Menteith Ospreys "A" team of Peter Auchterlonie, George Whyte and Ronnie Gilbert followed up their win in the first of the semi-finals by recording a catch of 46 fish to convincingly win the Scottish Club Championship final. The Change FF AC "A" team of Kevin McCabe, Jock Kettles and Andy Dunn had 30 fish and finished second and the Grizzle Cats "A" team of Andy Boylan, John Morton and Billy Foster with 29 fish were third. A total of 387 trout were caught with 270 being returned. Each competitor retained their first two trout with 2lb being awarded for every fish they returned.

Peter Auchterlonie is on a hot spell at the moment and just the week before the final he was presented with the Phoenix Silver Salver as the top Scottish Rod in the silver medal team at the Autumn International at Llyn Brenig. In the final he concentrated on the Rookery and the Heronry where he caught 20 trout on a mix of nymphs and boobies on a midge tip line. All three in the team had excellent catches and George Whyte took 10 trout from the Road Shore and the Rookery on the same set up. Ronnie Gilbert also fished with nymphs and boobies on a midge tip line and caught 16 trout at the Road Shore. Allowing for 2lbs being awarded for the returned fish their 46 trout had a weight of 94lb 10.2oz.
