Heat 10 - 8th July 2017

Breezy and bright sunshine where not the ideal conditions to start heat 10 of the Scottish Club Championships but with the forecast predicting the wind to drop later in the evening it looked as if we were going to have a good evening.

From the start most of the boats headed for gateside, the rookery and the malling shore to try and get a bit of shelter from the wind which also proved to be the best areas on the night. With not many big bags of fish being caught and weighed in this proved to be a hard session for the 13 teams contesting the competition. On a brighter note a good few quality fish where caught which had to be capped at the 4lb mark.

The top 3 teams which qualified for the second semi-final on the 25th August were:-

- 1st place Lintrathen AC with 14 fish for 32lb 0.6oz
- 2nd place Alba Orvis with 13 fish for 30lb 12.8oz
- 3rd place Tartan Tyers with 10 fish for 24lb 12.0oz

Heat 8 - 24th June 2017

With blustery conditions to start with it looked as if it was going to be a hard session on the Lake of Menteith for heat 8 of the Scottish Club Championships.
 Most of the boats headed for the top end of the lake looking for some shelter from the wind and it wasn’t long before the wind started to drop and the anglers started to connect with some of the hardest fighting trout in Scotland.

The top 3 teams qualified for the first semifinal on the 25th August are:-

Heat 7 - 17th June 2017

Saturday night saw 13 teams in contention. Westerly winds and choppy conditions prevailed. As the boats moved off, most of them headed west in the direction of Malling Shore, Gateside Bay (Cages Bay) and quieter water at Arnmach Point. At end of the heat 154 trout had been caught with 86 being released. Each returned trout counts as 2 lb in anglers catch return.

Top place went to Neilston Fly Fishers with 26 trout for 53lb 1.7 oz. Their team of Brian MacKenzie, James Litster and Tom Burnett mostly fished dry fly at various areas targeting rising trout. In second place with 22 trout for 48lb 9oz were the Caley Liners trio of John Simpson (top rod on night) Brian and Andrew Kennedy. Third place fell to the Perth RASC team of Andy Kemp, Sandy Boag and Grant Sutherland with 18 trout for 39lb 10 oz. These teams go through to the semi final on 19th August.

The top five rods progressing to Champions of Champions Final were:-

John Simpson, James Litster, Andy Kemp, Brian Mackenzie and Andy Smith. James Litster could not make the final so 6th placed Jordan Queen of Johnstone Fly Fishers takes his place.

Heat 2 - 13th May 2017

When the anglers arrived to contest heat 2 of the Scottish Club Championship they were faced with a strong, cold westerly wind and the prospects for a pleasant evenings fishing were not very good. However by the time the briefing had been done and the competitors made their way to the boats the wind had dropped to a light breeze. The wind remained light for the rest of the evening and other than a period of light rain conditions were excellent. Most of the boats made their way to the open water between the Butts and Kates Brae which was alive with moving fish.

Top club on the night was Rescobie Loch DA who were represented by Ron Gray (10 fish), George Gall (10 fish) and Scott McGregor (8 fish) to give them a total of 28 fish for 58lbs 2.2ozs. Included in that haul was the heaviest fish of the night which went to the scales at 6lbs 10.3ozs and was caught by Scott McGregor on a candy booby in the open water at the Butts. All three of the Rescobie team fished the open water between the Butts and Kates Brae with the same set-up of a midge tip line with buzzers and a candy booby.

In second place were the SPRA East team of Jimmy McBride (10 fish), Rae Harrison (6 fish) and Keith Anderson (3 fish) with a total of 19 fish for 41lbs 3.4ozs. In third place was Future FF represented by Calum Stephen (9 fish), Martin McCafferty (5 fish) and Stephen McVean (5 fish) with a total of 19 fish for 40lbs 4.3oz.

The top individual rod was Jimmy McBride of SPRA East with 10 fish for 21lbs 15.8ozs. Jimmy took his fish in the open water at the Butts and at the Gravel Pit. He stuck with a floating line and took his earlier fish on buzzers and cormorants with the later fish taking snatchers. The top five qualify for the Champion of Champions final and he was joined by:-

- 2nd: George Gall, Rescobie Loch DA with 10 fish for 20lbs 4ozs
- 3rd: Ron Gray, Rescobie Loch DA with 10 fish for 19lbs 10.8ozs
- 4th: Calum Stephen, Future FF with 9 fish for 18lbs 6.3ozs
- 5th: Scott McGregor, Rescobie Loch DA with 8 fish for 18lbs 1.4ozs

The top team, the top individual and the captor of the heaviest all received a bottle of Loch Lomond malt whisky.

Heat 1 - 6th May 2017

Heat 1 of Scottish Club Championship saw 12 teams competing including 2 previous winners. Conditions were good with light wind and trout could be seen feeding in the surface film. Most of the boats headed south towards Lochend Bay, with boats stopping at Todds Hole, Butts and Kates Brae. The anglers were mixed in the fly choice, some on straight lining buzzers, washing line tactics with booby or fab on the tail, and some pulling lures through the rising trout. A total of 127 trout were caught with 68 being released. Each returned trout counting as 2lb towards total bag weight.

The top teams on the night were Tartan Tyers "A" and Change FF "A" with both teams catching 20 trout. The Tartan Tyers trio of Alan Martin, Scott Aitken and Andy McAdam took top honours with the 20 trout weighing in at 42lb 0.1ozs

The Change FF trio of Kevin McCabe, Jock Kettles and Andy Dunn saw their 20 trout weigh in at 40lb 10oz, and become runners-up. 3rd place fell to Ayr Travellers "B" with a catch of 14 trout for 29lb 12.8oz.
