Scottish Club Championship

Final - Friday 27th September 2024

Sponsored by The Lake Of Menteith, Snowbee, Glencairn Crystal, Thermo Fisher Scientific, Angus Angling, McLanachlan Transport Ltd and My Fishing Flies.

The weather held fair for the final of the Scottish Club Championship with the competitors heading out to a bright day with a chilly northerly breeze. There was occasional cloud cover with some light showers and generally the wind was light throughout the day. The match was fished to a two fish kill per angler followed by catch and release. Two pound was awarded for each returned fish and heavier trout were capped at 4lb. Numerous trout over 4lb were caught with a few over 5lb also brought to the scales.

Twenty teams of three anglers were in the final having qualified through the May to July Saturday night heats and the two August semi-finals. The 60 anglers caught a total of 271 trout of which 158 were returned.

Top club on the day were the 2022 winners RAF Fish Hawks represented by David Eames (9 fish), Simon Gaines (12 fish) and Leighton Davies (5 fish) with a total of 26 fish for 57lb 7.9oz. They received the £500 winners prize and each team member received a box containing approx 120 flies provided by My Fishing Flies and a Snowbee voucher for a 50% discount provided by Snowbee along with their gold medals.

The heaviest fish caught in the heats weighed 6lb 12.9oz and was caught in heat 1 by Lee Anderson of Rescobie Loch DA. Lee was presented with the heaviest fish trophy by Simon Kidd of Snowbee.

The presentation dinner was held this year in the Karma Lake of Menteith Hotel and all the anglers that attended the dinner received a Glencairn Crystal whisky glass. A raffle was held at the dinner which raised £549 which will go to the Glasgow Children's Hospital Charity.
